Hello Dayspringers, we are looking for a new Treasurer. Starting February 2018 would someone consider taking over for Adrian to handle the Treasurer's position on the Board of Managers? This person could be invited to join the Board Sept 2017 to get a basic understanding of the workings of the church. If we do not find a new Treasurer we need to have a person take over the monthly bookkeeping duties at least. Please let us know as soon as possible so that we can have you shadow the current treasurer or bookkeeper. Thank you for your consideration on this very important position with the church.

MISSION MOMENTS:

Cultivating healthy communities - In her community in Nicaragua, Sandra believed she was feeding her children wholesome, nutritious food. But the chips and soda that made up the bulk of their diets led to illness and delays in growth. Presbyterian World Service & Development supported community promoters are helping families like Sandra's improve their nutrition by discussing the benefits of locally grown, fresh produce and helping establish household gardens. Sandra now understands that a diet rich in fruits and vegetables is important for a healthy future. Today, her children are energetic and healthy. For Sandra, this project is the beginning of a brighter future for her family. "Our mission is to share what we have learned so that our community will prosper with healthy and active families."
