## MISSION MOMENTS: World Food Day (October 16)

The majority of the world's hungry people are subsistence farmers who struggle to cultivate harvests in the midst of a changing climate. The Canadian Foodgrains Bank's Climate Fund is a way for Canadians to respond to families impacted by climate change. This year, donations to the Climate Fund will support PWS&D's agro-ecological and food security project in Guatemala.

**Session meets  
Monday,  
Oct 30 at 7pm**

## Save the Date!
