MISSION MOMENTS: Smiling again - Suffering from inexplicable pain, Pursottam spent his savings traveling to visit neurologists, but no doctor could provide a diagnosis. He grew frightened and anxious about his ability to continue working. His prayers were answered the day he heard about the PWS&D-supported hospital in the remote Banke district in Nepal. There he was diagnosed with leprosy and given effective medicine. Today, Pursottam's health has been restored. "I am so happy to see him smile again," shares Pursottam's brother. "We finally found relief here at the Banke Hospital."

Children must early learn the beauty of generosity. They are taught to give what they prize most, that they may taste the happiness of giving.
