MISSION MOMENTS: World Food Day (Oct. 16) - Hunger finds families when they are facing challenges like poverty, conflict, climate change and illness. Globally, hunger burdens over 800 million people. Through a

sustainable agriculture project supported by Canadian Foodgrains Bank, PWS&D helps farmers in Nicaragua learn to store water, grow new plant varieties and start seedlings in cups for better plant growth. A sustainable source of food opens the door to abundant life.

Today **Sunday Oct 14**, the African Community of Dayspring will be celebrating a Thanks Giving Service. During the time for giving we'll invite you to come forward either with your envelope of financial support to the congregation or donation to the Food Bank.

Session is looking to add up to 5 new Elders.

This process, along with a description outlining the role of elders, is and will be in the weekly Sunday Bulletin today and October 7. **Nominations will close today, the revised date of October 14.**

It is important to note that in order to be nominated and elected, you must be a professing member of Dayspring. If you are wondering what this means and/or are wishing to become a professing member, please speak with the Reverend Dr. Grosskopf. Please consider carefully whether you might serve in this capacity or have someone you would recommend for this office. It is up to all of us to nominate and elect Elders that may serve faithfully and effectively in the Dayspring congregation.
