Faith filled, Inspiring and Joyful!*

MISSION MOMENTS:

International Women's Day (March 8) - It is proven time and again that empowering women helps improve economic growth and development, part of this must be access to necessary health services and the ability to make decisions about their bodies. PWS&D is responding in India to raise awareness of sexual and reproductive health and provide women and girls with a network of support so they can decide their own futures.

Are you interested in having your membership transferred to Dayspring?
Please contact Heinrich before **Wednesday March 6 at noon** as he is planning to welcome you next Sunday, March 10.

Our Annual Meeting is Today!

Right after the service we will have the Annual Meeting and then a luncheon, all are welcome to attend and the 'reports' are available on the table outside of the Sanctuary so that you may have a chance to give it careful thought prior to voting.
