March 6, a tropical disturbance over Mozambique brought heavy rains and flooding to parts of southern Malawi. Thirteen districts have been severely impacted which has damaged infrastructure and affected electricity and water supplies. Water sources have been contaminated and water-borne diseases, as well as cholera and malaria outbreaks, are posing serious health risks. Dozens of people have died and hundreds of thousands have been impacted and people in need increases daily. Please keep them in your prayers. ACT Alliance members in Malawi have identified food security, nutrition, psychosocial support, and water and sanitation as the priority areas of need. The Rev. Dr. Blair and Vivian Bertrand, are providing updates on the situation. PWS&D is accepting donations to help bring relief to those suffering in the wake of flooding. You can make a donation to PWS&D through the church, or call 1-800-619-7301 x 291. **Please mark donations as "Malawi floods."**
