MISSION MOMENTS: Restoration and rehabilitation after Cyclone Idai - In Malawi, eating raw maize, a grain usually dried to make the traditional food *nsima*, is a sign of pressing hunger. After Cyclone Idai stormed into Malawi, Mozambique and Zimbabwe one year ago, many people were left with only this option or worse, with no food at all. After the cyclone, Katherine Chiphwayna's lost crops meant her family of four often went to bed hungry. Then Katherine began receiving support through PWS&D and Canadian Foodgrains Bank. She is now able to work more and provide her children with fish, eggplants and tomatoes, in addition to the *nsima* they like. "The kids are happy to eat the food. It's very tasty."

Tax Clinics

Due to the social distancing expectations, the **Mission and Outreach Ministry Team** are **cancelling** the scheduled "Tax Clinic" project at this time. We will try to pick this up again in the future (TBD). Thank you to all who volunteered to prepare taxes, be greeters and assist with general needs as they arise. Thank you! We will come back to this project at another time.

We are resuming asking for you to save **used trimmed stamps** for the Canadian Bible Society to sell to collectors and vendors which allows the society to purchase Bibles for the Canadian prison ministry.
10 lbs of stamps = 6 Bibles.

Trim/rip stamps, only from white or light envelopes (not industrial brown), about 1/4" around the stamp and place in the red coffee container on the table near the Library.

Looking into the future for all Greeters & Ushers, the experienced and the potentially new?

We had 44 households participate in this task @DPC last year (which is over 90 separate individuals, including 13 rookies!) I believe these amazing numbers must be unique to our faith community....let's acknowledge and celebrate that we have so many on the front line with their welcoming smiles each Sunday morning. Thank you!! Your usherette is currently working on the schedule from May 2020-April 2021. I welcome NEW faces to this enjoyable task, please contact me if you would like to join the Team. And as in the past, for those who participated last year, I will make up a congruent schedule to last year UNLESS I hear from YOU. i.e. If you did the 2nd

Sunday in June last year, I will schedule for June 10 this year unless I hear from you for a date switch. Thanks in advance. Gratefully,
