MISSION MOMENTS:

New Beginnings and Evangelism Coaches -

The Apostle Paul, in his pursuit of sharing the gospel message, says that in doing so he is “forgetting what lies behind and straining forward to what lies ahead” (Philippians 3:13). Looking ahead is not always an easy thing to do, especially in the rapidly changing environment that we live in today. For congregations, it can be a struggle to know how to continue to reach out to their communities and share the gospel in meaningful ways. The PCC has developed a network of coaches to help congregations and ministries to discover where God is calling them. Through programs like New Beginnings and the Evangelism Network, congregations can be connected with a coach to guide them into an exciting new era of ministry. Please contact Canadian Ministries at canadianministries@presbyterian.ca to learn more about the New Beginnings program and the Evangelism Network.

Keep watching our broadcast week to week as an extension of our worship service. **If you don't have a computer, you can phone in to listen to the worship service on Sundays. The phone number is (587) 328-1099, and once you reach that number the meeting ID for the service is 214-107-800.**

The Relaunch Team... has been working towards our anticipated reopening on October 18th.

We have had two meetings so far, and will ensure that all safety protocols are in place. We will inform the congregation once we have everything in place and what will be expected from them when we return to the church. Online services will continue to be provided once the church is reopened for church services.

We have someone to welcome here at Dayspring from now until the beginning of May 2021. The Rev. Theresia Ndofor is a ministry student from the Montreal School of Theology's Presbyterian College. She was born in Cameroon, lives in Canada, and is currently living with her brother here in Lewis Estates. She is doing a Field Placement with Dayspring. Welcome, Theresia!

Stewardship Moment

In the blink of an eye wealth disappears, for it will sprout wings and fly away like an eagle. *Proverbs 23:5*

We Celebrate!

The Board thanks all those that have stepped up this summer to help with projects around the church, either financial or with labour. We have received money for the new shrubs at the front of the church, and labour to take care of our front yard in particular. For our IT (information technology) project, we have now completely funded this project and can move forward with upgrading some of our equipment so as we get set for our new normal. The IT upgrade will allow us to move forward with live streaming services from our sanctuary. Thank you again for contributing generously. The website already has a fresh new appearance as you may have seen when you found your way to worship, this morning. *Board of Managers*

**NEIGHBOURHOOD
CARE NETWORK**

**Neighbours helping Neighbours
during this Pandemic**

A word from the Neighbourhood Care Network: The Neighbourhood Care Network is a community collaboration between Greenfield Community Church, Enjoy Life Church and Dayspring Presbyterian Church. Together we are coordinating help to those who are in need and have been affected by the COVID-19 pandemic. This network is able to assist people who live in the Greenfield community and surrounding areas (Royal Gardens, Sweet Grass, Blue Quill), and those experiencing homelessness through our partnership with The Mustard Seed.

Since the beginning of June 2020, the Neighbourhood Care Network has involved over 40 volunteers from the partner churches and members of the local community to bake muffins, sew masks, and put together and deliver care packages to encourage those facing social isolation. Thank you to all who have given their time and talents to support our work!

The Neighbourhood Care Network has delivered over 4500 muffins and 120 reusable masks to the Mustard Seed, and provided care packages for 147 residents at the Shepherd's Care Mill Woods long-term care facility and individuals in our congregation. We have also been able to support families with meals and grocery cards. Looking towards the end of the year the Neighbourhood Care Network will continue providing muffins and masks to the Mustard Seed, as well as looking for new ways to serve our community. Please contact Kristin at ncn@greenfieldchurch.ca to volunteer or for more information about how you can get involved.
