*Our services are ...  
Faith filled, Inspiring and Joyful!*

**MISSION MOMENTS: Hygiene Kits Protect Families in Nicaragua** - "As a family, we try to take all the necessary measures, like covering our nose when sneezing, avoiding shaking hands or going places where there might be large crowds. For many of the families in our community, it's not possible to acquire protection materials like face masks, gloves, hand sanitizer or cleaning materials due to rising prices in the market. We are so thankful for all of you and the help you bring to our community." Like many in Nicaragua, María struggles to access proper protection materials and cleaning products due to the COVID-19 pandemic. Presbyterian World Service & Development, through local partners, is helping people like María and her whole community, receive hygiene and sanitation items, ensuring they are prepared to safely face the pandemic.

"Seeking wisdom on our Lenten journey"... A series

**The Relaunch Team...** Session has decided that, in the meantime, we will extend the time of worshipping online until a later date when Provincial restrictions become more relaxed. Only some of those who are leading our worship services and managing the technical aspects of doing so, are in the sanctuary.
