MISSION MOMENTS: Elder Exemplifies God's Love at Place of Hope Indigenous PC

Although the work of God is sometimes accompanied by displays of power or dramatic revelations, it is often the gentle whisper of the Spirit that stirs someone deeply. The Holy Spirit has been stirring in Place of Hope

Indigenous Presbyterian Church in Winnipeg, Manitoba. This is due in part to the work of an elder at Place of Hope, who simply lives out what she believes. In a quiet, loving way, this elder has been teaching the church's young people that God cares about the details of their lives and loves them unconditionally. And in following her example, many older youths have been baptized in recent months. The elder's faith is a compelling testimony and an example for all, as she quietly draws those around her to Christ. Place of Hope Indigenous Presbyterian Church receives support from gifts to Presbyterians Sharing.
