MISSION MOMENTS: Leading Healthy Lives in Guatemala - In the highlands of Guatemala, 43 year-old Adelina López Vásquez lives with her husband Rafael and their family. Adelina is a health and nutrition promoter in her community. Through training workshops, Adelina gained knowledge and skills about how to prepare wholesome and nutritious foods. She learned the importance of maintaining a clean workspace and the benefits of cooking foods made with fresh, local ingredients instead of buying prepared foods. In addition, the training Adelina received on the topics of home hygiene and nutritious diets have helped both her and her community navigate the COVID-19 pandemic. Today, she shares all she's learned with her community so they can also lead healthy lives. Presbyterian World Service & Development works in partnership with local Mayan organization, AMMID.

DPC — Minister Search

The Search Team will be interviewing candidates shortly. This past week we spent significant time collecting, researching and deciding upon the interview questions and creating an assessment tool for the interviews. We are still accepting new applications throughout this time as we don't want to miss any potential candidates. Have a great week and again, we ask you to take time to call someone from church so we can stay strong and connected. Take care Heather and Jane (co-chairs)

**Sunday services are also continuing online
At 10 am on Zoom**

PRAYER
& Praise

The Basford family would like to offer their thanks to all of you who contributed to a memorial for **Ian Basford in 2018**. We have recently been able to plant an oak 'Legacy tree' and plaque through the City of Edmonton's 'Benchmark' program, in the Twinbrooks area. Their program had been on hold for an extended period of time and we are so pleased the planting could now happen. It is near the water area on 116 St and 10 Ave.

Please pray for our doctors, nurses, and the many other workers on the frontlines as they keep doing their utmost in fighting against the spread of the coronavirus.

Please note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
