MISSION MOMENTS

In Afghanistan, Fatima had always dreamed of attending school. However, most schools were far from her home and, as a girl, it was unsafe for her to travel to them. At the age of 10, Fatima's dreams finally came true. She learned about a school near her village and persuaded her father to enroll her. "After completing my studies, I will become a teacher and become a role model for other girls and women in our village," Fatima shared. Though the current political situation in Afghanistan has left many children uncertain about their futures, Fatima prays that she will be able to continue her education beyond primary school. This education project is supported by Presbyterian World Service & Development

Further news about the CALL

On March 8th, the Edmonton Lakeland Presbytery met and discussed the call for Rev. Brad Childs. Our Interim Moderator Rev. William Ball spoke about the Search Committee's journey to find a new minister for Dayspring. Representatives from Dayspring also spoke in support of Rev. Brad Childs. It was a successful meeting and Edmonton Lakeland has approved the call and will be sending the Call Package to Westminster Presbytery in British Columbia for their meeting on April 5th. If the meeting is successful then Rev. Brad Childs will receive the call and make a final decision on becoming the new minister at Dayspring.

From our Clerk of Session, Gina

As the Alberta Government has removed some of the restrictions, we **no longer require signing of the covid log book**. We still recommend masking and social distancing and are following the City of Edmonton bylaw.

"Our parents took the kids for the weekend so we could focus on the sessions. It felt like the couples who presented were talking right to us in our living room. We could see the emotion

on their faces and we related to many of their stories. What a powerful weekend for us."
