## Mission Moments

In the aftermath of a devastating earthquake that struck Haiti in August 2021, Presbyterian World Service & Development responded through the ACT Alliance. The emergency response supported 400 families in rebuilding their homes. This response was modelled after successful rebuilding projects following Hurricane Matthew in 2016. In addition, non-food items, including shelter and hygiene kits, were provided for 1,500 families, nutritious food for 1,300 families and agricultural support and supplies for 500 farmers. Community leaders and local volunteers also learned about community-based humanitarian action when confronting a crisis. This knowledge sharing is meant to ensure that when future disasters happen, communities will know how to implement an effective response.

## BIG BIN EVENT - Saturday, June 18th. 10 am. - 3 pm.

Sponsored by Greenfield Community League (GCL) & held in DPC's parking lot. The City of Edmonton hosts these events to allow residents to dispose of household items too large for regular collection; i.e. old couches, chairs, mattresses. GCL is hosting their own to help our their residents so there is a cost involved. Community League/Dayspring members can use the service by giving a donation. **Non-members pay \$20.**
