## Mission Moments

Conflicts in Yemen, Syria, Afghanistan and, most recently, Ukraine have caused mass displacement of millions of people. As a result, many struggle to make ends meet and severely lack food, causing some to experience extreme hunger and malnutrition. Through Presbyterian World Service & Development (PWS&D), the church is responding to these urgent needs. In Syria, food baskets are provided to internally displaced people and their host communities. In Yemen, local partners supply food vouchers to help the most vulnerable families meet their basic needs. In response to the war in Ukraine, food assistance is being provided to those displaced in the country as well as to those who have fled to neighbouring countries. This emergency food assistance is done in collaboration with its ecumenical partners at Canadian Food-grains Bank, where funds are matched.

## INCLUSION TASK FORCE (ITF)

The Dayspring ITF was created after a question (or rather a 'challenge') from a candidate during our minister search. They simply said, "What are you doing to make Dayspring more inclusive?"

In 2021, a special committee was formed at the General Assembly to reach out to all marginalized people to hear their stories. These stories were documented and presented before the General Assembly in June 2022 and quite frankly, they were heart-wrenching (see link below). They speak to the urgency of Christians loving everyone, no matter who they are. "Love that crosses diverse spaces" - *Love that declares boldly* that God is Love and God loves ALL people. It is our goal at Dayspring to **BE** that love, for those who have been marginalized as well as for those who have not.
