Mission Moments

The Raw Carrot Soup Enterprise is a growing social enterprise that is doing so much more than making soup — it is changing lives by employing individuals living with disabilities and mental illness. Meagan is one of the many people who have found meaningful employment at the Raw Carrot. Her work has helped her to gain confidence and skills and to feel proud of who she is and what she can contribute. Meagan is a huge Raw Carrot fan, as she put it: “The world should have more Raw Carrots, not just because they have good soup, but because it’s a good place to work.” With support from Presbyterians Sharing, the Raw Carrot is transforming lives.

Please send prayers out for everyone in our extended Dayspring family that is experiencing challenges in their lives right now. We could all use some extra love and support, no matter what we are going through! Continue to pray for our health care workers as the medical system continues to experience stress and uncertainty. And ask God to help guide our political leaders in their decision making.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
