Mission Moments

Vanea is 15 years old and lives in Malawi with her parents and four siblings. When Vanea finished primary school, she wrote an entrance exam for secondary school and was selected to attend the Neno Girls School, supported by the PCC through Presbyterian World Service & Development (PWS&D). Sadly, Vanea's parents couldn't afford the school fees and she was forced to withdraw. PWS&D recognizes the importance of education for young girls to achieve their dreams and gain self-confidence. PWS&D provides scholarships for orphans and vulnerable girls in Malawi to attend the Neno Girls School, who otherwise could not afford to due to financial constraints. Vanea was one of the students selected for this scholarship and is now completing her high school education.

Please send prayers out for everyone in our extended Dayspring family that is experiencing challenges in their lives right now. We could all use some extra love and support, no matter what we are going through! Continue to pray for our health care workers as the medical system continues to experience stress and uncertainty. And ask God to help guide our political leaders in their decision making.
Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
