Mission Moments

The importance of elders who serve in congregational leadership is often understated. But the Bible describes elders as playing a very important role, they are leaders that Christ has appointed to oversee the church. Elders are at the heart of Cariboo Presbyterian House Church Mission in British Columbia, continually providing prayer, comfort and support to the congregation and community. The authentic and humble ways in which the elders live out their faith is a compelling testimony and example for other members. Their wisdom teaches them about God's deep love and purpose for their lives. Presbyterians Sharing supports congregations serving remote communities.

It is with regret we accepted the resignation of Bill Davis as an elder. We are thankful for his many years of service and he will be missed by everyone at Session.

Board Secretary

If you have board experience and would like to contribute to Dayspring's operations or you want to gain experience as a board member, please consider taking on the role of acting board secretary until our ACM.

The role involves taking minutes at the board meetings and helping out with tasks or small projects on various committees. Good communication and writing skills are necessary however no prior experience for this position is required. The secretary will be nominated and elected at the next Annual Congregational Meeting in the new year. Online meetings are held on the third Monday of each month. It's not all business on the Board, we do have fun too! See Lorraine Lorraine W. - Board Chair
