### **Mission Moments**

When the war in Ukraine started, Irina's family was torn apart. Her husband joined the territorial defence force to serve his country, while Irina and their two children sought refuge at her parents' house. The sound of bombs exploding nearby made it clear that the situation was still unsafe, and Irina determined to find a safer place for her family. On their way to the evacuation point, bombs started falling on the settlement. Irina was fortunate to see a convoy of cars passing by, which her family hastily joined. Eventually, they were able to catch a train to western Lviv, where they found safe shelter at a refugee centre run by Hungarian Interchurch Aid through the ACT Alliance, supported by Presbyterian World Service & Development.
