Mission Moments

Village Safe Motherhood Committees are a vital part of Presbyterian World Service & Development's maternal, newborn and child health programming in Malawi. The people who run the committees work tirelessly to ensure that pregnant women and their partners are informed about the community services available to them before, during and after the birth of their child, and why these services are so important. Committee staff advise women to attend check-ups and deliver at a health-care facility, as well as encourage partner participation. They also educate parents about the importance of vaccination and proper nutrition. This is life-saving work for many pregnant women and infants in Malawi.

There is a saying that says, "we're better together," which basically means that even though each one of us is gifted in some way and could accomplish many things on our own, the real difference is when we each take that God-given ability or talent and work as a team for His glory!

I often pause to think what it would be like if we did not have wonderful volunteers to serve in our Food Bank Ministry, Inclusion Ministry, Our neighbourhood, with the garden, fixing things around the church building, with children and youth and pretty much everywhere. As you might expect, I am personally very thankful for those of you giving of your time and talents in the media team and in musical participation in worship. You are a blessing!
Rev. Brad Childs

Training and other resources are available. Depending on COVID-19 restrictions, tax preparation will either be done online or at Church on weekends or both. Our Board and Session have just opened up a new Giving Door...

To raise funds for the Information Technology Media Booth which is going to be changed over to just outside of the sanctuary. This will enhance not only the service on zoom but also the quality of the sound in the sanctuary. The Giving Door Goal will be communicated after the quote is finalized. As well, if you are currently assessing your donations before the end of 2022, keep in mind that we could also use donations for our refugee fund. We anticipate the next family arriving in 2023.
