Mission Moments

One of the pressing problems in Malawi is the lack of health-care workers. With only 600 doctors to look after a population of 19 million, Presbyterians Sharing is doing what it can to help fill this sizable gap by supporting Moses Silungwe as he pursues a Bachelor of Medicine and Surgery at Levy Mwanawasa Medical University in Zambia, which is a six-year program. His dream of becoming a general surgeon began when he was working as a senior clinician at the David Gordon Memorial Hospital, where he was later appointed acting head of the hospital's clinical department. Moses is grateful and excited to pursue his dream of becoming a doctor and serving the people of Malawi.
