Mission Moments

In Haiti's Artibonite region, two-year-old Gloria lives with her parents and three siblings. One day, Gloria's parents noticed that their daughter would not eat, and that her breathing was laboured. They rushed Gloria to St. Marc Hospital, supported by Presbyterian World Service & Development and its local partner. There, Gloria was diagnosed with acute malnutrition, as well as tuberculosis and edema. Her treatment consisted of a regimen of antibiotics and therapeutic milk, administered over the course of a few weeks until she was deemed healthy enough to begin outpatient care. Not long after, Gloria had gained enough weight to assure the doctors that she had made a full recovery, both from malnutrition and tuberculosis.

Dayspring Yard Tidy-Up Saturday, June 3, 10am - Noon

Summer is almost here! As we begin to enjoy the outdoors please consider helping out with our annual yard tidy-up on **Saturday, June 3**. We are looking for **10 people (or more)** to help out with raking the front and back lawns and picking out weeds. **Put on your hat, apply your sunscreen and come join us with your tools-** we do have 7 rakes in the shed, also shorter rake tools, short three tine cultivator tools, dandelion tools, and 3 hoes. There are pails and tubs too. **We start at 10am and will end at noon.**

Please email admin@dayspringchurch.ca and let us know you will be coming. See you there!

You bring a rake, your gardening gloves, and some energy; we'll supply the coffee, iced tea and goodies!!

Did you know...? We are asking for you to **save** used Eyeglasses or hearing aids... We have this receptacle on the table as you enter for **used eye glasses**, provided by the Lions Clubs International Eyeglass Recycling Centre, which provides recycled eyewear free of charge to people in developing countries. *Please put used glasses (without the case!) or hearing aids in the receptacle.* Thank you.
