Mission Moments

Prema and her five children live in the Umerkot district of Pakistan. After her husband's death, Prema found it very difficult to provide for her family, and severe drought throughout the district only brought more hardship. Her eldest son tried hard to find work so that he could help support his mother and siblings, but despite his best efforts, his job prospects were limited due to a physical disability. A glimmer of hope came when Prema and her family were selected for a food assistance project run by Presbyterian World Service & Development's local partner. The food aid that Prema's family has received through the project has helped them to become more resilient to future adverse events.

An invite to our Dayspring Community from Christian Education, Peter E.

DPC Food Bank Drive in June

The needs at our Food Bank Depot continue to grow, as we seem to receive a few unexpected 'walk-in' clients each week that we try to help with supplies until they get registered officially with Edmonton's Food Bank main depot. Please help us re-stock our pantry cupboard this month so that nobody leaves hungry and empty handed. Donations can be placed in the boxes at the entrance to our sanctuary. Groceries on our wish list are:

- rice
- canned meats, ie. salmon/tuna
- cereal, granola or fruit bars
- coffee/tea/juice
- canned fruit
- canned corn, green beans, kidney beans
- soup (but NOT tomato or cream of mushroom, please)
- pasta sauce with meat
- laundry detergent, toilet paper

If you'd prefer to donate money, we can do the shopping for you. Just mark your envelope or e-transfer with "Food Bank Drive". Many thanks! - Mission & Outreach Team

* SPRING CLEANING / DONATIONS *

If you are still working on your spring cleaning, please keep the following requests in mind for items the refugee family could use:

Bikes for all; area **carpet** for basement (8X10 or whatever); **patio** furniture; food/vegetable **chopper**; small **desk** for teenagers x2; small **night stand** (boys room); large **storage** (plastic) tubs; wall **pictures** and decorative **knick knacks** for teenage girl rooms or 11 y.o. boy.

Plus, other suggestions: writing supplies and craft stuffs; board/table/ card games — anything YOU think might appeal to teenage girls and grade 6 boy? One of the girls likes to read and write, other one loves Winnie the Pooh stuff. THEY did not ask for these... but it would be enjoyed and a special touch.

Let's help them to feel comfortable and at home in their new place!
