Mission Moments

After their summer crop failed and they lost their agricultural loan, Moolo and his wife Babbri, who live in Pakistan, were in financial trouble and were going hungry. Given the gravity of their situation, they managed to receive food assistance from PWS&D's partner in their community. The amount received was sufficient to cover some other basic needs and meant that the elderly couple could use their small savings to provide daily medication to their son Chandan, who has epilepsy. With their remaining savings, Moolo hoped to open a small store, but his eyesight was deteriorating. Babbri stepped up and opened the store herself, remarking, "It is because of this aid that we are not under debt, or we would have sold our goats to pay for food. But we are not in debt and still have our goats!"

For those of you wanting to have your family or individual portraits taken or updated, Karen G. and Jan Ray M. **will be taking portrait photos** after the service at the Great Hall (by the southwest exit to the backyard) on **July 16th**. The portraits will be posted on the Fotoboard in the Great Hall. Should you wish to contact them, please do so at:

Jan Ray - (780) 885-2065 Karen - (780) 709-1553

Please note that one of the office days is now **changing to a Wednesday** instead of a Monday, as of this coming week. So...Linda will be in the office on **Wednesday July 19. Wednesdays and Thursdays will be the new office days** going forward instead of Mondays and Thursdays.

Search for Youth Coordinator

We are on the hunt for Youth Coordinator to help lead our Jr & Sr High School-aged young people. Now that we have a number of youth in this age category again, we are looking forward to growing that group and helping them connect more with God ... and with each other. A job posting for this position is now available; please reach out to the Human Resources Team, if you have any questions or know of a suitable candidate.
