**Mission Moments:** For hundreds of years, roads have been providing important networks of connection and community. Not only in a physical sense, but by creating equal access to vital places like schools, churches and hospitals, and fostering a sense of community. With support from Presbyterians Sharing, the Life and Mission Agency and the Band Council on Mistawasis Plains Cree Reserve in Northern Saskatchewan are working together to create a road system through the reserve that will connect Mistawasis Memorial Presbyterian Church

with the rest of the community. In turn, it will open up the possibilities of new ministry opportunities by bringing together the community and creating a sense of hope and connectedness.

Stewardship is not something we can put on or take off as the seasons change. Stewardship, like faith, must be woven into the fabric of our lives. *Gregory Coulter – professor of Philosophy*
