Mission Moments: With support from Presbyterians Sharing, the Newcomers Mission has faithfully been gathering and offering services and spiritual support to newly arrived immigrants and refugees in the Peterborough area since 2016. Like the soft, protective wings of a dove, the programming of Newcomers Mission provides refuge and care for people living through very difficult and vulnerable situations. One wing of the ministry represents the spiritual side through worship services, prayer meetings and house visits. The other wing is the social and cultural side, helping newcomers to access support services, obtain employment and provide English language teaching and translation services. The two wings work together so that the newcomers can succeed and belong.

Continue to keep all those in your prayers who are experiencing hardships in their lives. We pray for young people facing difficult times and life-changing decisions.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.

We would like to show 'Praise' news here as well, send an email and you will see it in print!

NCN Collective Kitchen Initiative:

The Neighbourhood Care Network will be starting a Collective Kitchen initiative. This is a conversation that has been a passion for many throughout the years and we are excited to be taking steps forward with it. Our collective kitchen will be a space where people are able to gather to learn different cooking skills, prepare and share a meal together while also having meal portions to take home. There will be opportunities for people to be involved in various volunteer roles and if you would be interested in hearing more, join us at Greenfield Community Church on Wednesday, July 3 @ 7:00pm for a volunteer information session. We will be planning to host two collective kitchens in the summer and then start with a more regular rhythm come the fall. Contact Pastor Sara-May with any questions: sara-may@greenfieldchurch.ca

Do you know that Job Opportunities are posted on the Communication wall? Currently there are five positions looking to be filled.

Plant, Grow, Share a Row...for the Food Bank

How often can you enjoy a favorite hobby and help others in your community? This program is a fun way to do both! How it works:

At harvest time, simply remove the majority of the garden dirt and take your produce to the Food Bank at 11508-120 Street.

Root veg is the best, i.e. Cabbage, carrots, broccoli, parsnips, squash, but any produce sweet peppers, beans, etc. that can easily be stored are welcome. All will be greatly appreciated and put to good use.

The SUMMER PConnection newspaper is here in hard copy and AVAILABLE on the Welcome unit.
