*Our services are ...
Faith filled, Inspiring and Joyful!*

Mission Moments: In Yemen, the ongoing war, collapsed economy, and disrupted public services have led to one of the worst humanitarian situations in the world, which includes severe malnutrition, hunger, displacement and poverty. To address this, PWS&D, through Canadian Foodgrains Bank, has supported the distribution of essential food baskets to severely food-insecure households. Musa, a displaced man from Al-Hodeida, lives in cramped conditions with his family and struggles to make ends meet by selling water bottles. His wife requires surgery, adding to their financial strain. With the assistance received, Musa's family improved their food security by purchasing fruits and vegetables. With essential food needs addressed, Musa can now redirect the money he earns towards improving sanitation facilities for their home.

From our Worship Team

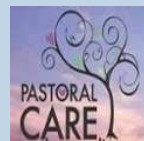

We are asking for your participation to speak in a **brief** video vignette to be shown at some of our autumn Services. This is about telling us why you are grateful/thankful. For example: (and not limited to)
-What are you grateful for right now...this week (not necessarily at Thanksgiving time in Oct)
-What are the benefits of expressing gratitude for our life and others?
-What's an aspect of your personality you're thankful for? i.e. perhaps you're naturally conscientious, confident, etc. (We have other questions we can offer you)
Or use your thoughts to express your gratitude/thanks.
This can be as a **family or as an individual**. Linda will be asking for you to pick a date that she can video you either in the church Library or in your or her home. Email the office and/or she will see you and ask. Thanks!

We had many winners of delicious prizes and much laughter at the June BINGO! Sooooo... We are carrying on the fun with BINGO in July and August. Bring your coins to purchase your favorite munchies at the concession to enjoy while you play.

Plant, Grow, Share a Row...for the Food Bank

How often can you enjoy a favorite hobby and help others in your community? This program is a fun way to do both! How it works:

At harvest time, simply brush off the majority of the garden dirt on the veg (don't wash) and take your produce to the Food Bank at **11508-120 Street**.

Root veg is the best, i.e. Cabbage, carrots, broccoli, parsnips, squash, but any produce; sweet peppers, beans, etc. that can easily be stored are welcome. **All** will be greatly appreciated and put to good use.

Stewardship Moment

Self-care is never a selfish act - it is only good stewardship of the only gift I have, the gift I was put on earth to offer others.
