Mission Moments: PWS&D's annual Journey for Hope encourages supporters to gear up and walk, run, ride, roll or do another activity they love to raise money for the food security work PWS&D does around the world. Food security is an essential human right, yet a significant portion of the global population is food insecure, without access to enough food of acceptable quantity and quality. Your participation in and support for Journey for Hope enables PWS&D to actively respond to hunger needs through food security projects that improve agricultural production in places like Haiti, Guatemala and Malawi. Funds also help provide emergency food assistance in countries that are extremely vulnerable, including Afghanistan, Yemen, Syria, Somalia, South Sudan and Ethiopia. Thank you for participating and making a difference!

Our Youth Corn Maze Activity

was a fun filled event and a huge success! There were 28 Dayspringers including parents, youths and children. There were many

activities such as trampoline, feeding animals and of course finding their way through the corn maze.

We had a fire and the opportunity to try different ways of making mash mellow and hotdogs.

Stewardship Moment

I do not believe one can settle how much we ought to give. I am afraid the only safe rule is to give more than we can spare.
