Mission Moments: In Nepal, 60-year old Sakkal Bahadur Shahi lacked the means to transform his farm into a sustainable, income-generating operation. Sakkal's situation improved when he joined a PWS&D-supported project – a self-help group working to improve the living standards of poor members in their community. With training, Sakkal was able to transform his farm into a

model farm, adopting climate-resilient farming practices to grow various vegetables. He is now better able to support his family through his farm.

 For all pastoral concerns from Jan 05-13, 2025, while Rev. Brad is away, please contact Rev. Harry Curry on his mobile phone **780-232-1160**

Continue to pray for all those people in our families, our community, and in our world who are experiencing hardships in their lives. As we begin this brand new year, full of anticipation and great possibilities, pray that God's peace will find its way into all corners of the globe !!

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.

Our **Coffee and Usher volunteers** list could do with some names being added to it for the next few weeks/months to come. Instructions on how to brew this popular liquid gold are posted in the kitchen, and a fellowship member is always able to assist, if needed! Iris will help explain Usher duties.

THANK YOU, to all of those who have offered their assistance in the preceding months! You help make Sunday mornings just a little PERKIER for everyone!
