MISSION MOMENTS:

PWS&D supports the Garu Community-Based Rehabilitation (CBR) Centre in Ghana, offering life and vocational skills training for people with disabilities. Tilata Mahama shares her experience: "The CBR program came to my aid with a tricycle and trained me in simple trading skills and the capital to start a business. Now, I can go to church to worship God. I also own and run a shop to support myself and my children. I am so grateful to the CBR and PWS&D."
