MISSION MOMENTS:

With support from PWS&D and local partner AMMID, Eladio and his community in Guatemala are learning about tree planting, gardening, and how to strengthen forest nurseries and collect native seeds. They joined other local communities in a reforestation effort, where 400 trees of various species were planted. Eladio shared, "I am grateful for the support of AMMID and PWS&D for involving us in these activities to care for the natural assets of our community. Only by protecting water, forests and mother earth will we inherit a better future for new generations."

Continue to pray for all those people in our families, our community, and in our world who are experiencing hardships in their lives — some of which we are aware and many that we are not. Pray that God's peace will find its way into their lives AND into all corners of the globe!!

PRAISE: Thank you for regularly bringing in empty egg cartons so often for the Food Bank. They have told us they no longer accept or need them.

Stewardship Moment

Ninety-nine percent of the time, we have an opportunity to be grateful for something. We just don't notice it. We go through our days in a daze.
