MISSION MOMENT

Place of Hope Indigenous Presbyterian Church in Winnipeg, MB continues to grow despite many losses experienced by those attending and connected to this special congregation. Each Sunday afternoon, the hall at St. John's Presbyterian Church is filled with children, music, caring and joy. Supported by Presbyterians Sharing, the connections this ministry has made provide a place of hope and true belonging for its membership.

Thank you
Thank you to all the chili makers and those who brought buns, pickles, veggies, sushi, and the many delicious desserts. All the help with set up, serving and clean up was really appreciated. It was such a success and a wonderful time for fellowship.

Fantastic news \$1,510.50 was raised for sewage repair.

Please indicate on the signup sheet ALL
family members that will be attending 😊

On Sunday February 01 we will be celebrating PWS&D and all they do, such as: PWS&D (Presbyterian World Service & Development), is the international relief and development agency of the Presbyterian Church in Canada. PWS&D responds to emergencies, human rights issues, supports long-term community development, and partners with local churches and organizations to address poverty, food security, health, and sustainable livelihoods around the world. Your gifts help provide immediate relief in crises and supports lasting, dignity-restoring programs. Please prayerfully consider giving as we join together to support this vital ministry on Feb 1st.

A congregation member wishes to say Thank You! for your recent prayers and food donations

Continue to pray for all those people in our families, in our congregation, in our community, and in our world who are experiencing hardships in their lives — some of which we are aware of and many that we are not. Pray that God's peace will find its way into their lives.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
