### MISSION MOMENT

For over 75 years, the church and PWS&D have dedicated themselves to helping the most marginalized people around the world. Through partnerships with our global partners and ecumenical networks and coalitions, we are helping create change within our shared global community. Guided by our faith, we are called to stand beside those we serve, advocating for equality, sustainability, human dignity, peace and care for God's creation. Together, we are working toward a future that is sustainable, compassionate, and just.

**Get Ready for our  
Annual Congregational Meeting, Have your Voice Heard!**

**On Sunday February 01 we will be celebrating PWS&D and all they do, such as:** PWS&D (Presbyterian World Service & Development), is the international relief and development agency of the Presbyterian Church in Canada. PWS&D responds to emergencies, human rights issues, supports long-term community development, and partners with local churches and organizations to address poverty, food security, health, and sustainable livelihoods around the world. Your gifts help provide immediate relief in crises and supports lasting, dignity-restoring programs. Please prayerfully consider giving as we join together to support this vital ministry on.
