MISSION MOMENT

After Susheela Devi's husband died, she struggled to support her four daughters while running a small cosmetic shop. To ease her financial burdens, two of her daughters were forced into early marriage, and one tragically died during childbirth. With insufficient government aid, her remaining daughters dropped out of school. Through the Karuna Project in India, PWS&D provided resources to help Susheela revive her business and educated her on the dangers of child marriage, prompting her to re-enroll her daughters in school and invest in their futures.

A Prayer for the 2nd week of Lent

O God, who loves us as a mother loves her children, hear our prayer for all homes and families. Bless those whom we love; may our dwellings be fit places for your presence. Help us to live in peace with our dear ones, that we may encourage one another in common tasks, and enjoy our common pleasures. Come amongst us with your love and enliven us with your Holy Spirit.

(From "Common Order: A Canadian Book of Service of Worship" compiled and edited by Ian S. Wishart)

For all pastoral concerns contact Rev. Harry Curry on his mobile phone **780 232 1160** while Brad is away from Feb 28-March 09 on study leave.

Private information removed

Pray for all who are experiencing difficulties. Even when offered anonymously, prayer does help. Continue to pray for all those people in our families, in our congregation, in our community, and in our world who are experiencing hardships in their lives, some of which we are aware of and many that we are not. Pray that God's peace will find its way into their lives.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
