MISSION MOMENT

Gerry Kent describes the United Mission to Nepal (UMN) as “an advocate for those who cannot or do not have the opportunity to seek help for themselves.” Since September 2025, Gerry has taken on the three-year volunteer position of Funding Manager in Nepal for the UMN. He describes “the hand of God reaching into this area in love, offering healing.” With support from Presbyterians Sharing, Gerry carries out his life-long commitment to serving the people of Nepal in the spirit of Jesus Christ.

PRAYER
& Praise

Please pray for Marie & Arnold Ngotty & family as they mourn the death of Marie's father, Pa Mbong Jonson Eyong from Cameroon. Pray for Binu as she has a surgical procedure in April.

Praise: Glynnis McCrostie will be singing Queen of the night in the magic flute in Berlin with the Berlin opera academy's operafest in July. She very excited to participate in this program.

Offer prayers for all those who are experiencing difficulties and for everyone in our families, in our congregation, in our community, and in our world who are experiencing hardships in their lives, some of which we are aware and many that we are not. Pray that God's peace will find its way into their lives.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.

Spring Thaw and Bales of Straw 2026 Event Dates

Second-cut wheat from a local farm, harvested in fall 2025. Made of straw NOT hay, mostly stalks or stems of wheat plants. Were used for safety barricades at City toboggan hills. It is NOT known if the fields were treated with fertilizers or other products during the growing season. Straw bales were NOT treated with any fire retardants. Straw has been exposed to the elements through the fall and winter. Seeds: The bales have almost no seeds, since that was how the straw bales were harvested and made. Some of the straw bales occasionally contain some seeds. If seedlings spotted: Pull the seedlings and they will be gone. Spreading a layer of straw, as a mulch on top of soil, will suppress other weeds from growing in the soil.

Sat, Apr 25, Rundle Park (North Hill) 10:am-3:pm
or Gallagher Park 10:am-12:pm

Sun, Apr 26, Queen Elizabeth Park 10:am-3:pm

No charge for straw bales. Maximum 6 bales per vehicle. Staff & volunteers will answer questions and provide directions. Serve yourself. Come prepared to move and load your own bales. Bring your own gloves or wagon or tarp or tools. Caution: Consider how you will deal with straw in your vehicle.

We recommend 2 people to lift a straw bale. They are: 18 kg to 20 kg each (40 to 45lbs) 1m x 0.5m x 0.4m (3'x1.5'x1.3')
