## MISSION MOMENT

The Presbyterian Church in Ghana, through the Garu Community-Based Rehabilitation (CBR) program, supports people living with disabilities as they use their gifts and pursue their goals. "I was really in a very challenging situation before I connected with the CBR. I could not move and was totally helpless. The CBR program and its partners came to my rescue. Today, I am mobile because of the tricycle that I received from the CBR. I now own and run a business to earn a living," shares 41-year-old Awini Agnes. PWS&D supports this program.

### This is General Assembly Sunday Do you know what the G.A. is?

The General Assembly is the highest decision-making body of The Presbyterian Church in Canada, attended by an equal number of ministers and elders who are commissioned by presbyteries. The Assembly votes on matters of theology and polity that affect the whole denomination. It receives, discusses, and makes decisions on reports from committees, petitions, overtures, references, and appeals. Its decisions are made carefully. Some issues require study over several years. The General Assembly elects a moderator—a minister or elder—who presides over the Assembly and continues in an inspirational and ceremonial role for a year, until the next General Assembly.

The General Assembly committees are the primary bodies that carry out the work assigned by the General Assembly between its annual meetings. The General Assembly is the highest governing body of the denomination, and these committees ensure that its decisions are implemented, evaluated, and reported.

Instructions on how to brew these beverages are posted in the kitchen, and a Fellowship volunteer is always able to assist. **THANK YOU, to all of those who have offered their assistance in making Coffee the preceding months! You help make Sunday mornings just a little PERKIER for everyone!**

### Stewardship Moments: Inspiring Generosity

The greatest lesson a soul has to learn is that God, and God alone, is enough for all its needs. This is the lesson that all God's dealings with us are meant to teach, and this is the crowning discovery of our entire Christian life. God is enough!
