MISSION MOMENT

Although today's global food production is sufficient to feed everyone on the planet, hunger continues to rise in too many parts of the world. If current trends continue, around 512 million people may still be chronically undernourished in 2030. This September, join PWS&D's annual Journey for Hope, a fundraiser where PWS&D's supporters gear up and walk, run, ride or do another activity they love to raise money for vital food security work around the world. Thank you for participating and making a difference!

The Carnival is turning **10!** Join us on **Saturday, September 12 from 10 am to 2 pm** as we celebrate a decade of fun and community.

We could do with a few more volunteers, please let Laura know of your availability.

Offer prayers for all those who are experiencing difficulties and for everyone in our families, in our congregation, in our community, and in our world who are experiencing hardships in their lives, some of which we are aware and many that we are not. Pray that God's peace will find its way into their lives.

Note: Besides deaths and births, names are not included on this prayer list unless explicit permission is given.
